

Did you know that there are many ways in which you can become an integral part of the legacy of excellence at CBA? Bequests and gifts to our **The Saint La Salle Society**, part of our Planned Giving Program at CBA, plays a critical role in supporting the scholarship and financial aid program that brings students and their families from around the Capital Region to be a part of the CBA community. From the bequests and gifts we receive, we are able to attract excellent candidates for faculty, ensure continued development of all faculty and staff, provide technological resources and meet the growing needs to provide a safe secure and appealing campus. Planned giving is a unique philanthropic tool in that it helps CBA enormously, while also advancing your own financial objectives. Our Development staff can assist in outlining gift options that assist CBA in carrying out its mission, while creating tax savings and/or income benefits for you.

With some planning you can help ensure the education of students for years to come. By including CBA in your estate planning, you play a vital role in enriching and solidifying educational opportunities at CBA now and in the future.

The various giving plans available at CBA provide diverse opportunities and ways you can contribute—each designed to meet different donor needs.

These giving plans not only enable us to meet our need and goals, but are designed to meet your individual retirement needs and can result in important tax savings

PLEASE LET US KNOW:

I would like to learn how I can contribute to CBA's future and all the benefits associated with bequests and gifts

Yes, I intend on remembering Christian Brothers Academy in my estate plans

Yes, I am interested in learning more about Giving options available at CBA and specifically becoming a member of the Saint La Salle Society *
